

Science for Society Brokerage Event

7th October, Brussels

The international network of Science in Society National Contact Points - SiS.net invites all stakeholders interested in the Science in Society Programme (SiS) of FP7 to the brokerage event.

"[...]Science in Society aim to encourage pan-European reflection and debate on science and technology and their relationship with the whole spectrum of society and culture."

The event, to be organised by **SiS.net** in cooperation with the **European Commission**, will take place on 7th of October 2011 at the **Management Centre for Europe, Brussels**.

The main objective of the **SiS Brokerage Event** is to provide first-hand information by the European Commission officials about the FP7 SiS 2012 [Call for proposals](#), launched on the 20th July 2011, and to bring all stakeholders together (universities, research institutions, civil society organisations, SMEs, public bodies, science centres etc.), in order to meet potential coordinators and partners in a fruitful networking environment.

Do you intend to prepare a proposal under Science in Society 2012 Call for proposals? Start building your consortium in Brussels, on 7th of October 2011!

At the **SiS Brokerage Event**, participants will receive information on the following research areas:

- *Mobilisation and Mutual Learning Activities (MMLs)*
- *Responsible Research and Innovation (RRI) on tackling societal challenges*
- *Gender in Science and Research*
- *New developments in Science Education*

Participation is free of charge. For detailed information about registration and the agenda of the event, please visit the event web page: <http://www.b2match.eu/scienceforsociety/>
